Rocklin City Council

- **Public Safety and Emergency Response**
The safety of our neighborhoods is the key to our high quality, family oriented community. My highest priority will be law enforcement, crime prevention and rapid emergency response.

- **Living Within Our Means**
We are in difficult economic times and this is not the time to raise taxes. I will make sure your tax money is spent carefully and will insist on reasonable salaries and pensions, tighter spending controls and balanced budgets.

- **Supporting Business**
As a former business owner, I know we must keep our existing businesses and fill the empty stores and offices. I will continue to work with our Chamber of Commerce and business leaders to attract new businesses.

- **Parks, Recreation and Open Space**
I support maintaining our parks at their present high standards. We should follow the Park Master Plan and add more parks as we grow. I support continuing our recreation programs and adding open space whenever possible.

- **Supporting Our Schools**
I support close cooperation between the City of Rocklin, the Rocklin School District, Sierra College, William Jessup University and all other public and private schools in Rocklin to make sure we have the best educational system for our children.

Ted Gaines our State Assemblyman says, "Rocklin needs Diana's leadership and I am proud to endorse her campaign."
