

# Elect Roger Niello • State Senate District 1

## Supporting Excellence in Education

- Career Tech Programs. Supported greater resources for career and technical education programs at middle schools, high schools, community colleges and regional occupational centers.
- Improved Teacher Training. Supported improving training in math and reading for teachers as well as classroom aides to enhance their instructional skills.
- Up-to-Date Teaching Materials. Supported legislation ensuring that classroom teachers, students and schools have access to state-of-the-art technology-based materials.
