Subj: Reminder: bus details

**Dear Delegates riding on the ScottV and PeggyM bus to Sacramento,**

**Well, CRA convention starts in less than 24 hrs. Thanks again for taking time from your busy schedule to join us in Sacramento. In some ways the votes you cast this weekend will affect more outcomes than a vote in the national election. ~~First off, know for sure which unit you are registered with. Gwen has the list.~~**

**Pick up location is GOP HQs: 1422 Edinger, Tustin, CA 92780. This is just off the Edinger exit of Fwy 55, east side. Cars can safely be left there all day Saturday and Sunday. We have permission from County Chairman Scott Baugh as well as the property management to do this. We load and leave our cars in the parking lot at OCGOP headquarters and arrive back at our cars around 9PM Sunday evening.**

**Arrive at the pick up location by 12:30AM Saturday morning, that is just after midnight on Friday. We plan to pull out by 1:00 AM sharp. The travel time is between 7-8 hours. We ask that you plan to sleep and let others sleep. Thank you for not electioneering.**

**This schedule allows us to arrive in time to get breakfast, sign in and get registered before the general session starts. We plan to leave Sacramento about 2PM on Sunday so as not to be rushed at the conclusion. The bus will drop us at the hotel and pick us up there as well. The whole point is to save the cost of a second night in Sacramento or a lost day of work.**

**We will be traveling on a 57 passenger charter bus (with its own bathroom). It is licensed and insured, with a professional driver. A picture of the bus is at: <http://www.xedohoang.com/> We recommend that you bring a pillow, a jacket, water bottle to make your two bus rides more comfortable.**

**We will let you know where you can purchase sandwiches for the ride back. No stops are planned that I am aware of.**

**You will be given a slate card so you will know who is on Karen England's candidate team. There will be 4-5 Floor Managers to whom you can look for**

**guidance if you get confused with all the motions being made. There will be resolutions and by-law amendments to be voted on as well.**

**Here they are:**

**I will be the hostess for both ways on the bus. I will be carrying my husband's cell phone from Sat 7:00 pm thru Sun 9:00 pm. It is 562-755-6896.**

**Thanks again from Karen, Scott and myself, Gwen Dyrud**
