Included below are the emails I received today from people who were listed as current members of the SCVRA, but who clearly state that they did not renew their membership. I have a few others still pending. Will forward them on if, in fact, they did not renew either.

Hi Tammy:

Neither Maggie nor I paid dues for 2015 and Gabrielle does not live with us and has never lived here. Our name is on the deed for her town house so someone could be using that address. The town house is on Sand Wedge but our house is on Sombras Court and that is where we are registered and reside.

Thanks for all the hard work.

Hi....George and I did NOT pay dues for SCVRA in January 2015 as listed below. We dropped out and haven't been members since the vote fraud fiasco over a year ago. I believe the last year we paid dues was 2013. You have permission to use our names.

Tammy,

The forced takeover of the chapter was on 12-06-2013, and the fraudulent endorsement meeting was on 1-23-2014. During this period we were legally voting members. Disgusted with the actions taken by Alice and Wendy, we let our membership lapse when due on 1-31-2014. For them to show our membership lapse on 1-31-2015 is yet another fraud.

We request that you use both of our names in whatever action you may have against them.

David L. Kazmer and Kathryn Ann Kazmer

Hi Tammy,

Attached is a copy of the affidavit that we created and the Gordon letter of resignation to John Brisco. I did get a response from Brisco that I can forward to you if you are interested. Linda and I did not pay dues in 2015! You can certainly use anything that we created in the effort to investigate the fraud we all felt was committed.
