

Beth Gaines. The Conservative for Us.

Dear Friend,

State government is broken. We need to stop the spending spree and reduce taxes to create jobs.

Ted and I don't want to see our children have to leave California in order to make a better life for themselves, because the politicians at the State Capitol can't get the job done.

I don't come from a career in government. I'm a conservative small business woman who will inject some common sense into the debate in Sacramento. I'd be honored to receive your vote.

Sincerely,

Reduce Spending **NO Higher Taxes**

Beth Gaines will not raise your taxes. She believes California's families and small businesses already pay too much. Gaines will work for a spending cap to balance our budget and end the tax and spend cycle.

Protect Your Tax Dollars

Our elected officials have allowed government bureaucrats to rip-off taxpayers. In Roseville, the

City Manager was paid \$390,000 a year - almost double what the Governor makes! Beth knows we won't balance our budgets until we put a stop to these abuses.

Reform Welfare

California is a welfare magnet. Welfare recipients use our tax dollars to gamble at Las Vegas casinos and enjoy themselves on luxury cruises. Over \$10 billion of our state budget goes to pay for services for illegal aliens. Beth believes welfare should be a temporary helping hand - not a way of life.

Work for Job Growth

California's regulations and fees have driven thousands of jobs out of our state and hampered our economic recovery. Beth Gaines will work to reduce regulations that strangle small business and protect business from higher fees and taxes.
